

StormTech® Design Tool

Ready For Today's **Fast-Paced Business Environment**

The screenshot displays the ADS StormTech Design Tool interface. At the top, there are navigation options for USA, English, and Imperial units, along with buttons for 'Create New Project', 'Save Current Project', 'Manage Projects', 'Email Drawing & Reports', 'Print System Specifications', 'Design Tool Instructional Videos', and 'Sign Out'. The main workspace shows a 3D visualization of a multi-bed system with orange beds. A data table at the top provides summary statistics:

Volume (cf)	Area (sf)	Number of Beds
25245.6	7489.42	2

Below this, a table for 'Bed 1' provides detailed specifications:

Volume (cf)	Length (ft)	Width (ft)	Area	Chamber Model	Chambers	Caps
25245.6	136.56	56.83	7489.42	MC-3500	130	22

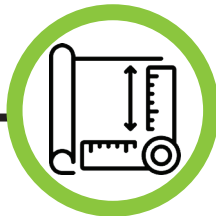

A settings panel on the left allows for configuration of 'Isolator Row' (Yes/No), 'Select Structure/Inlet' (Nyloplast), 'Select Isolator Row Bypass' (Forward/Reverse/None), 'Select Manifold Size' (18X18), 'Manifold Direction' (Left/Right), 'Enter number of stubs' (1), 'Stubs every other row' (Yes/No), and 'Second Direct Pipe' (Yes/No). The interface also includes a sidebar with navigation options like 'Project Information', 'Background & Tools', 'Multi-Bed Management', 'System Parameters', 'Components', 'Advanced settings', 'Drawings & Reports', and 'Contact Us'.
