

# Inserta Tee® OneFit™

## Now Sold as a Master Pack

Master Packs are the easiest and best way to order OneFit. A Master Pack is a boxed quantity of OneFits.

Master Pack\* options include eight 4" (100 mm) OneFits, eight 6" (150 mm) OneFits or four 8" (200 mm) OneFits with either ADS N-12® or SDR bell connections. Details can be found on page 3 of the Inserta Tee price guide.

Implementing OneFit Master Packs are ideal to offer same day service and streamline product efficiency.

\* Master Pack does not include hole saws.
