

# Inserta Tee

## Preferred Distributor Program

### Advantages to stock Inserta Tee:

- Same day service to your customer
- Fast inventory turns: 4-6+ per year
- Fast installation, saving your customer time and money
- Versatile, cost effective and watertight\*
- Requires minimal warehouse space (8', excluding display rack)

### Preferred distributor initial order:

- \$5,000 suggested initial orders
- \$2,500 minimum order required
- 4", 6" and 8" sizes recommended
- TIP: Determine your most-utilized lateral pipe type and stock those Inserta Tees, i.e. N-12, SDR35, IPS
- **TIP: Utilize Master Pack (boxed quantities to improve efficiency)**

### Preferred distributor incentives:

- Inserta Tee OneFit™ & Multi-Fit products receive **5%** discount off list price
- Product must ship to the branch
- **One FREE** hole saw with initial order (choice of 4½" or 6½" Red)
- With initial order, ADS will provide promotional materials, including literature material and demo sample at no charge

### Restock orders:

- Typical restock frequency is monthly-quarterly
- Re-orders of OneFit and Multi-Fit items receive **5%** discount off list price
- Product must ship to the branch

### Stock protection:

- **Risk free!** After 6 months, any non-moving items can be exchanged with items of equal value, with no restock fee

*ADS Inserta Tee Preferred Distributor Program is renewed on an annual basis. Distributors must purchase a minimum of \$3,000 annually for renewal.*

\* Watertight performance depends on the type and condition of the mainline pipe. Contact your ADS representative about your specific applications.

**Point of sale display**
